BIG DOT

Affordable, simple and effective.

The Big Dot brings life to your communications

This Alpha display offers message clairty from a 200 ft. distance allowing you to visually connect with your employees or customers. The Big Dot has a unique, built-in louver system which eliminates glare to accentuate your message. Designed for outstanding visual impact, the Big Dot uses 4-inch tall characters for dazzling, moving color messages you know they'll notice.

Standard:
Simple point-to-point RS232 communications
Multi-drop RS485 connections

Optional:
Ethernet LAN connections
